[0013] Fig. 1 is a representation of some of the resources, such as files File A 102, File B 104, File C 106, File D 108 and File E 110, which are available for an exemplary J2EE™ development project; it will be appreciated that many additional resources are typically present in a project. The project is divided into modules to be developed independently by different teams. Two such modules 200 and 220 are illustrated in Fig. 2; it will be appreciated that many additional modules are typically present in a project. The development team of the first module 200 has incorporated copies of some of the files: A 102, C 106, D 108 and E 110; the copies have been designated files 1A 202, 1C 206, 1D 208 and 1E 210. The development team of the second module 220 has also incorporated copies of files C 106 and D 108 as well as copies of file B 104; these copies have been designated files 2B 204, 2C 206 and 2D 208.
